EXPERIENCE

SCAD Summer Seminars

Instructor Summers 2024 - 2026

- Taught high school students art direction and animation
- Created and executed a syllabus teaching the principals of animation, from the pendulum, to the bouncing ball, to ultimately a character jumping over an object over a week-long course

Archer Seasons 13 & 14 - Floyd County Productions

Storyboard Artist April 2022 - August 2023

- Created storyboards for an episodic series with a team
- Designed environments from scratch according to the needs of the script
- Executed required revisions and changes to boards per feedback

Monster High - Cartuna/Nickelodeon

Storyboard Artist April 2023 - July 2023

- Storyboarded entire 5-minute episodes
- Created and timed storyboards with scratch audio
- Applied feedback until a final animatic was produced

Let The Church Say - Documentary

Animation Director, Storyboard Artist, Animator September 2021 - February 2022

- Worked with the Director to develop a unique style of animation that provided visuals according to testimonies from interviewees on their roles in the Civil Rights Movement
- Led a team to animate, edit, and composite entire sequences of animation that play intermittently throughout an hour long film

Nature's Bounty - Animated Short Film

Storyboard Artist, Character Designer, Animator July 2021 - September 2021

- Completely overhauled a short film in need of story and direction, providing a new vision for the film with director input
- Storyboarded/co-wrote entire short film, designed main antagonist, and provided animation for pivotal scenes

Son & Moon - Animated Short Film

Art Director, Co-Writer, Storyboard Artist, Animator May 2020 - May 2021

- Provided stylistic direction from concept development to post-production
- Contributed character designs, world-building, and the story of the film overall
- Animated multiple scenes involving character acting and special effects
